Customer factory with a problem on SIAT machine

SIAT software expert

complete diagnosis of the system and solution to solve the problem

PROs DATA

- Faster reaction and problem solving
- Way lower intervention costs
- Possibility to be installed on old and new machines

COUNTERS ON HANDLES

recommended when the customer has different box types - to make the set-up easier

with the purchase of this accessory, if the customer sends the boxes, SIAT will create a table with the measures to manage them which will be sent with the machine

• Code for SIAT-connect SBB0005357
